Contractor's Qualification (Safety & Technical)

#	SEC: Safety Certification Courses	Duration (Day)
1	OHS General Induction	1
2	Safe working Procedures for Mechanical	3
3	Construction safety	1
4	Work at Heights (Fall Protection Program)	2
5	Defensive Driving	1
6	OHS General Induction including Office Safety	1
7	Safe working Procedures for Electrical	3
8	Basic Fire Fighting	1
9	OHS Representative	2
10	Basic First Aid	2
11	Material Handling	2
12	Food safety	2
13	Scaffold Inspector	2
14	Hazardous Chemical Substance Management	1
15	Power Plant Safety for Generation Contractors	4
16	Distribution Safety Rules & Safe Isolation & Switching Procedure	5
17	National Grid Safety Rules, Qualification & Authorization	5
18	Generation Work Permit Receiver	2
19	Work Permit - Sender & Receiver	1
20	Projects Business Work Permit Issuer & Receiver	2
21	NG Electrical Safe working Procedures	3
22	Hazard Identification & Risk Assessment	2
23	Lifting Operations (As per scope of work)	3
24	Excavation Safety	1
25	Confined Space Entry Program	1
26	ARC Flash Awareness	1
27	SEC 5 Star OHS Management System	2
28	Fire Suppression System Operation Basic Training	1
29	Lock Out Tag Out (LOTO) Procedures	1
30	Perception of Security	2

#	SEC: Technical Certification Test	Duration (Day)
1	Installation of Power cable Joint and Termination - 1KV	1
2	Installation of Power cable Joint and Termination- 13.8KV	1
3	Installation of Power cable Joint and Termination - 33KV	1
4	Installation of Power cable Joint and Termination- 69KV	2

#	Safety Certification Courses	Duration (Day)
1	Life Critical Standards-LCS	5
2	Safety Orientation	1
3	safe work permit receiver	1
4	Mouth Bit Escape Respirator	1
5	Heat Stress Prevention	1
6	Safety Attendant- Fire Watch Training	1
7	Safety Attendant- Confined Space Training	1
8	Safety Attendant- Bottle Watch Training	1
9	Turnaround Safety Awareness	1
10	Defensive Driving Program-DDP	1
11	Information Security	1

#	ARAMCO CWQAP Courses	Duration (Day)
1	CWQAP Examination (All Categories)	1
2	CWQAP Machinist Training	3
3	CWQAP Metal Fabricator Training	3
4	CWQAP Metal Pipe Fitting Training	3
5	CWQAP Electrical Training	1

Certification Programs – Renewable Energy

As JV with UL, GCC Lab is committed to on-going testing, inspection, certification, and training to help advance solar industry professionals in the Middle East region, and Design Training for Residential & Commercial Photovoltaic (PV) Systems Conducted and organized by GCCLab & UL.

GCC Electrical Testing Laboratory

المفتبر الفليبي لفحص المعدات الكهربائية

UL-GCCLAB, Gulf Renewable Laboratory. A UL-GCCLAB Joint Venture

Item	Title
GCC Lab- Renewable Energy Services	Installation Training for Residential & Commercial Photovoltaic (PV) Systems
	Design Training for Residential & Commercial Photovoltaic (PV) Systems
	Certified Renewable Energy Specialist (RES)
	Certified Renewable Energy Inspector (REI)
	Financial Modelling and Analysis of Renewable Projects

Certified, Customized &
Advanced financial Programs
– Manufacturers

GCC Lab offer multiple of specialized and advanced training through our experts or manufacturers' partners provides training for engineers and technicians in the energy industry, for distribution, transmission, generation, and power markets. Also, prepare Saudis for expert level in their fields.

#	Advanced & Customized Courses	Duration (Day)
1	EFQM	7
2	Business Ethics Course	1
3	ANALYTICAL CHEMISTRY FOR OIL LABORATORIES	3
4	High Voltage Insulator Performance and Testing	3
5	The Challenges in Managing Emergencies in Power Systems Control Centers	5
6	Certified Power System Operator Program	1
7	Electrical Transformer Condition-Base Maintenance Oil Analysis & Diagnose Methods	2
8	High Voltage Joints Training Program	5
9	Transformer Maintenance and Repair Training	5
10	Transformer Assessment Training program	5
11	Smart Metering Standards IEC 62052-11, 31, IEC 62053-21 to 24 and IEC 62058-31	2
12	Vulcanizing (RTV) Coating	4
13	CT Accuracy testing with CT Analyzer- Work Shop	2
14	O&M Training on HV Dead Tank Circuit Breaker	3
15	Customized training programs	Customized

Specialized Training Programs

#	الأكاديمية السعودية للمياه SAUDI WATER ACADEMY	Duration (Day)
1	Electrical equipment Troubleshooting	5
2	Motors Testing and Maintenance	10
3	Operation, Control, Monitoring & Maintenance of Reverse Osmosis Systems	4
4	Saline Water Desalination Technologies	3
5	Reverse Osmosis Technology	5
6	Reverse Osmosis Plants Process Control and Troubleshooting	5
7	Wastewater Treatment Process	5
8	Water Resources Management	5
9	Pre-treatment System In Reverse Osmosis Plants	3
10	Post Treatment Process	5
11	HVAC troubleshooting	10
12	Water Quality Of Desalination Plants and Industrial Facilities	5

Certification Programs – Vibration, Reliability, Ultrasound & Infrared Analysis

GCC Lab offer a certification programs in Vibration Analysis, Asset Reliabilities, Ultrasound & Infrared analysis in coordination with our partner Mobius Institute Board of Certification™ [MIBoC]. These programs are accredited to the international standard ISO/IEC 17024.

Certification	Title
Vibration Analysis	VCAT-I Junior Vibration Analyst
	VCAT-II Intermediate Vibration Analyst
	VCAT-III Senior Vibration Analyst
	VCAT-IV Expert Vibration Analyst
Asset Reliability Practitioner	Asset Reliability Practitioner® [ARP] Training and Certification
	[ARP-A]: Reliability Advocate
	[ARP-E]: Reliability Engineer
Ultrasound Analysis	[ARP-L]: Reliability Program Leader
	UCAT- I Ultrasound Training and Certification
Infrared Analysis	Infrared thermography training & certification
Maintenance Reliability	Preparing for the Maintenance Reliability Transformation
	Mastering the Maintenance Reliability Transformation

Certification Programs – Lubrication & Oil Analysis

GCC Lab offer a certification programs in **Machinery Lubrication** in coordination with our partner Noria the worldwide leader in providing lubrication training according to the International Council for Machinery Lubrication (ICML).

Certification	Title
Lubrication	Machinery Lubrication I
	Machinery Lubrication II
	Industrial Lubrication Fundamental
	Machinery Lubrication Engineering
	Food Processing Equipment Lubrication
Oil Analysis	Oil Analysis I
	Oil Analysis II
	Oil Analysis III
	Oil Analysis Report Interpretation Workshop

Certification Programs – Asset Management

GCC Lab offer whole life management of physical Assets certification programs through well known international associations & Institutes
The IAM is international professional certification body for the asset management.

Certification	Title
IAM Certificate	M1 Principles Of Asset Management
	M2 Asset Management Policy, Strategy And Planning
	M3 Managing Asset Life Cycle Decisions And Activities
	M4 Assessing And Managing Asset Management Risk Performance
	M5 Financial And Business Impact

Certification Programs – Facility management

GCC Lab offer international certification programs in facility management professionals through our partner the International Facility Management Association IFMA. IFMA is the world's largest and most widely recognized association for facility management professionals.

Certification	Title
IFM's International Facility Management Association Courses	Facility management professional Certificate (FMP)
	Certified Facility Manager (CFM)
	Sustainable Facility Professional (SFP)
	IFMA's Leadership and Strategy Course
	IFMA's Finance and Business Course
	IFMA's Operations and Maintenance Course
	IFMA's Project Management Course
	IFMA's Communication Course
	IFMA's Information and Technology Management Course
	IFMA's Occupancy and Human Factors Course
	IFMA's Real Estate Course
	IFMA's Risk Management Course
IFMA's Sustainability Course	

Certification Programs – Facility management

GCC Electrical
Testing Laboratory

GCC Lab offer international certification programs through our partner the International Code Council which is the leading global source of model codes and standards and building safety solutions that include product evaluation, accreditation, technology, training, and certification. The Code Council offers a variety of training options for every individual to earn continuing education units, learning units, and/or Professional Development Hours (CEUs, LUs, and/or PDHs) that can be used toward Code Council certification renewal.

Certification	Title
International Code Council Certification	2018 E1 Residential Electrical Inspector Certification
	2018 E2 Commercial Electrical Inspector Certification
	2021 Property Maintenance and Housing Inspector 64 Certification Test Academy
	2021 Permit Technician Institute
	2021 Commercial Building Inspector B2 Certification Test Academy
	Saudi Fire Code 801 - Essentials
	Saudi Building Code 201 - Essentials

Certification Programs –
KPI’s Certifications

GCC Lab offer multiple of specialized and advanced training through our partner the KPI Institute. The KPI Institute certifications ensure that professionals are ready to meet their goals, overcome challenges and achieve business excellence.

Certification	Title
KPI Institute certifications	Certified Strategy and Business Planning Professional
	Certified Agile Strategy Execution
	Certified KPI Professional and Practitioner
	Certified Performance Management Professional
	Certified Employee Performance Management Professional
	Certified Performance Management Systems Audit Professional
	Certified Balanced Scorecard Management System Professional
	Certified OKR Professional
	Certified Data Analysis Professional
	Certified Data Visualization Professional
	Certified Benchmarking Professional
	Certified Innovation Performance Professional
	Certified Customer Service Performance Professional
Certified Supplier Performance Professional	

Certification Programs – Professional Evaluation and Certification Board-PECB

GCC Lab offers international certification programs through our partner Professional Evaluation and Certification Board-PECB which is an education, training and certification body for persons, management systems, and products on a wide range of international standards. PECB provides the below quality and management standards.

Certification	Title	Certification	Title	Certification	Title
INFORMATION SECURITY	ISO/IEC 27001 Information Security Management Systems	Privacy & Data Protection	ISO/IEC 27701 Privacy Information Management System	Sustainability	ISO 50001 Energy Management System
	ISO/IEC 27032 Cyber Security		ISO 31000 Risk Management		ISO 14001 Environmental Management System
	Cloud Security		ISO 37001 Anti-Bribery Management System		ISO 37101 Management Systems for Sustainable Development in Communities
CYBERSECURITY	Penetration Testing Professional	Governance, Risk & Compliance	ISO 37301 Compliance Management System		ISO 26000 Social Responsibility Management System
	Ethical Hacking		ISO/IEC 38500 IT Governance		ISO 20400 Guidelines for Sustainable Procurement
	Cybersecurity Maturity Model Certification (CMMC)		ISO 37002 Whistleblowing Management System
